Circular.

The Chief Engineer has on the score of economy suggested the advisability of issuing Type-writing papers and other accessories to all Government Offices from the Stationery Depot, along with other stationery requisites.

As the question is under the consideration of Government, Heads of Offices who are using Type-writers are requested to favour Government at a very early date, with their views in the matter.

They are also requested to state what their annual requirements are in the shape of type-writing [illegible] and what the cost has been on this account during the last three years.

By order,

For Secretary to Government.

To all.

Heads of Departments and
Deputy Commissioners of Districts.

Please prepare a list of the articles purchased & the cost thereof.

the type writing machine, from the Govt. Stationery Depot, along with the other Stationery requisites

2. The quantity of the type-writing materials consumed in this Office during the last 3 years and the cost thereof, as well as the quantity required for the next official year are noted in the margin. It will be observed therefrom that the figures for the last item have been put down somewhat higher than the average of the preceding years, on account of the increase of work in this Office year by year.
